

NEPALESE ARMY – IN SERVICE OF

Snapshot - As of 15 July 2015

Within minutes of the devastating Earthquake of 7.8 Magnitude on 25 April 2015, the NA mobilized at each level with the simple self-understood directive – to go forth and save lives! Quickly establishing alternative field headquarters, the NA has been at the core of rescue, relief and recovery operations throughout affected Districts. The NA is working as per the directives of the Government of Nepal, shoulder to shoulder with other Security Forces, Government Agencies, Military and Other Teams from Friendly Foreign Nations, I/NGOs and individual Volunteers, particularly the Nepalese Youth.

Unprecedented All-Out Deployment

Immediate mobilization of 90% of NA
Thereafter 66,069 personnel working selflessly
Troops redeployed from less affected areas
Of these 52,870 surged into 594 sites in 14 Most Affected Districts

NA has reached into each of 656 VDC and Municipalities
Each team has the capacity to send back information, medics, establish distribution points for relief and ability to prepare helipads

Most Lives Saved

1336 rescued alive - collapsed buildings (43% of total)
Total 23,594 rescued. Of these 2,928 rescued by NA Air Reach into higher altitudes, including Langtang (881 Nepalese & 118 Foreigners were rescued)

41% of all lives saved were in first 72 hours, before most of the foreign teams arrived and became effective

Most Initial Medical Assistance

85,954 treated in Affected Districts
NA treated almost all Air-MEDEVAC'd casualties

Demolishing Unsafe Structures 1630

buildings in the valley
Total 7692 in other affected Districts

Difficult Task of Body Recovery

1,731 bodies recovered
177 bodies recovered from Langtang Avalanche

Mitigation in Heritage Sites 41 sites have already been

Accomplished 3 ongoing

Emergency Water Supply

For the affected population in the valley 2,75,000 liters/day of drinking water in up to 45 public sites

THE PEOPLE – EARTHQUAKE 2015

Personal Contributions

From pay of NA personnel
NRs 243.65 million - PM's Relief Fund

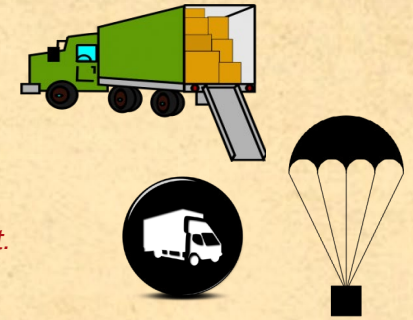

Fully Committed Despite Own Losses

22 NA personnel dead, 10 missing and 99 injured
15,908 houses of soldiers fully, and 3889 partially damaged
Family members 271 killed, 279 injured
765 minor, 344 major damages to NA buildings
458 barracks to be reconstructed, including NA HQs

Relief Supply

5,707 Tons (226 Tons by Air) relief distributed.
100 % operational aircraft to the extent of capabilities
VIP Helicopters stripped off comforts and used for rescue and relief

When all else failed NA soldiers have delivered relief on foot.

International Teams

34 Nations (18 Military Teams) - Vital to reassure the public
19 people rescued alive with special capabilities, 135 bodies recovered
Medical treatment to 27,390 people
Air evacuated 3,493 people and delivered 966 tons of relief.
Close cooperation and coordination by NA.

NA deeply appreciates their help, goodwill and camaraderie

Helping People Restart Lives

In addition to designated open spaces of Tundikhel and the Stadium... NA barracks welcomed and sheltered >40,000 people
Helped recover property from 51,646 collapsed structures. 12,752 temporary shelters erected for the needy 2,718 tents distributed from Emergency Stocks.
Helped repair 399 roads and other vital infrastructures.

NA IS EVER READY TO RESPOND IN SERVICE OF HUMANITY

Preparing for anticipated challenges of the Monsoon – including floods / landslides

Or any other task Anytime Anywhere ... !
